Safety briefing links

Safety Central

- Network Rail share updates of recent incidents, accidents and best practice advice online. Please get into the habit of checking this website for the latest news;

<https://safety.networkrail.co.uk/tools-resources/safety-bulletins/>

Southern Shield

- Southern Shield is a collaborative safety forum that consists of Network Rail Southern Capital Delivery and its principal contractors. On their website they have useful articles and explain the rules of the Southern Shield charter, which are mandatory on some southern sites.

Our Lifesaving Rules

Always be sure the required plans and permits are in place, before you start a job or go on or near the line.

Never use a hand-held or hands-free phone, or programme any other mobile device, while driving.

Always use equipment that is fit for its intended purpose.

Always test before applying earths or straps.

Never undertake any job unless you have been trained and assessed as competent.

Never assume equipment is isolated – always test before touch.

Never work or drive while under the influence of drugs or alcohol.

Always use a safety harness when working at height, unless other protection is in place.

Always obey the speed limit and wear a seat belt.

Never enter the agreed exclusion zone, unless directed to by the person in charge.
