

# SMTH Briefing

## APRIL 2018

# Think Safe, Act Safe and Be Safe

## Our Safety Vision:

- Our vision of “preventing harm to all” is at the centre of our Safety Strategy and is synonymous with our commitment to resourcing and working safely.
- We believe that our vision can be achieved if we all develop a safe mind-set, plan our tasks correctly and actively seek ways to prevent incidents. We also believe that behaving in a safe way will also lead to zero accidents. We have devised a set of rules that underpins our vision and are consistent with our mantra. **Think safe, act safe and be safe!**

**Resourcing  
Safely**

## Think Safe, Act Safe and Be Safe

- S.M.T.H. standards have been updated (March/April 2018)
- Even if S.M.T.H. is not your general job role, it will still be worth reviewing and understanding these updates to know how the new standards have changed.
- You can read of the latest updates [HERE](#)
- You should all have access to I.H.S. and all of the new Network Rail standards, but if you are having problems then please email [lmillard@resourcing-solutions.com](mailto:lmillard@resourcing-solutions.com) and update your account log in details

### Action required:

After reading this briefing, you are required to respond, please click **"I have read and understood"** or email [lmillard@resourcing-solutions.com](mailto:lmillard@resourcing-solutions.com) with acknowledgement and any questions/suggestions
